- 2 If you want 'to turn the hands of time', then you want to make time go slower or faster, or go back in time. (A clock has two 'hands' that point to the numbers on it.)

Lyrical assignments

- 1 This song is probably about the last thing someone did with a friend before they died. If they had known that it would have been their last walk together, she would have kept her friend outside for hours and walked together in the rain.

- 2 If you are 'faithful' in a relationship, then you are loyal and trustworthy to the person that you are in the relationship with.
- 3 If you 'frown', then you make a sad face, kind of like this: 😞. The opposite of this is, of course, 'to smile': 😊. Hope you smiled a lot during Rock Your English!
- 4 A Dutch translation:
 'Als je gebleven was
 Had ik dan ooit een reden gevonden
 Om me zo te voelen
 Als je nog één seizoen had gewacht'
- 5 If you 'drag someone down' in a relationship, then you make the other person feel weak or depressed, or take him or her down to a lower level, if you are feeling low yourself.
- 6 I think that he regrets that he left his girlfriend alone and that she cheated on him, and left him.
- 7 If you give something a 'second thought', then you think about it again and reconsider before making a decision.
- 8 To change this Type 3 Conditional into a Type 1 Conditional, it would go like this:
 'If you let me know
 I won't put on my clothes.'
 Sounds interesting!
- 9 'Trenches' are deep ditches dug in the ground to serve as shelter from enemy fire or attack. You could say 'The soldiers' lives were saved because they fired from the trenches.'
